A Message From
Our Executive Director

Thank you for your interest in becoming a part of both the history and the future of Harlem Hospital Center.

There is a new spirit of hope and change on Harlem Hospital Center’s agenda. We have every reason to be optimistic. The support that we have received from the City of New York, The New York City Health and Hospitals Corporation and the Generations+ / Northern Manhattan Health Network is the foundation of our ambitious plan to modernize the entire Harlem Hospital Center Campus. The Modernization Project will make this Hospital one of the most technologically advanced hospitals—public or private—in New York City.

Harlem Hospital Center has a strong tradition of service and strength. This means that the Capital Campaign Modernization Project respects the tradition of those upon whose shoulders we stand, while welcoming the opportunity to integrate healthcare services in a modern attractive environment.

Your support will benefit the Harlem Community for generations to come. Thank you for helping us spread our message of healing and hope.

Sincerely,

John M. Palmer, Ph.D.

Construction of Harlem Hospital Center New Patient Pavilion
Each glass panel was attached to the crane’s trapeze and hoisted to the appropriate level of the New Patient Pavilion Curtain Wall.
Donor Wall Plaques
This is a once in a lifetime “brick and mortar” fundraising initiative. Your donation to the Capital Campaign will be commemorated for generations by a plaque installed in the Lobby of the Reverend Dr. Martin Luther King, Jr. Pavilion.
